UNITED WAY OF CENTRAL KENTUCKY DESIGNATION POLICY:

Donor designations will *only* be honored to:

- UWCK community partners (agencies vetted through our Community Investment Team)
- Counties served by UWCK and other United Ways
- One of our Community Impact focus areas (i.e. Education, Health, Basic Needs or Financial Stability)

Exception: Designations totaling \$1,000 per non-funded partner agency will be honored. If designations do not meet this minimum threshold, they will be automatically invested in the Community Impact Fund which provides grant funding to programs within United Way of Central Kentucky's service area.

The shift in the way we handle donor designations allows United Way of Central Kentucky to be more impactful with donations entrusted to us and accountable to our donors.

THANK YOU for your support!
