February 2023

Message from the CEO

At United Way, our mission is about more than fundraising. We believe it is essential to advocate for the needs of our region and to lift up voices in our community. We had a great day at the Capitol in Frankfort, meeting with legislators and hearing from distinguished speakers such as United Way of Kentucky President Kevin Middleton and Governor Andy Beshear. Please join us in #creatingcommunity by staying involved with us on volunteer opportunities, events, and more on our website and social media pages.
