

UNITED IS THE WAY

UNITED FOR IMPACT

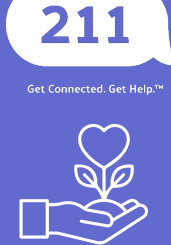

BY THE NUMBERS, SINCE 2024:

At UWCK, we bring neighbors together for a shared vision: a community where every family has the tools to be financially secure, every individual can live healthier, and every child has the opportunity to succeed in school. We work to ensure lasting change across the five counties we serve. The results speak for themselves.

OUR PROGRAMS

UWCK COMMUNITY GARDEN

Located adjacent to our headquarters at 604 North Main Street in Elizabethtown, our Community Garden serves as a beacon of community and sustainability, fostering collaboration and education for the betterment of our region. Volunteer groups care for the space consistently.

THE FRONT PORCH AT UWCK

We open our doors to the community with events like summer Movie Nights on the Lawn and Halloween Trick-or-Treat gatherings. Our goal is simple: to make our "front porch" a welcoming space where neighbors can relax, connect, and enjoy time together.

OPERATION GOOD NEIGHBOR

Through our Operation Good Neighbor program, community volunteers assist neighbors in need by undertaking critical home renovation projects—like building accessibility ramps, repairing roof damage, or replacing dilapidated porches.

UNITED WAY WORLDWIDE DAY OF ACTION

Each June, Day of Action brings together volunteers from local businesses and organizations to take on projects that make a lasting difference for our neighbors. Projects are submitted to UWCK and then matched with volunteer teams ready to roll up their sleeves.

COMMUNITY IN ACTION

By giving your time and talents, you help strengthen education, health, and financial stability across Central Kentucky, making a real difference in the lives of your neighbors and creating a brighter future for the region. Want to get involved, but not sure where to start? We are happy to connect you to a worthwhile cause.
